B. Terms and conditions

All terms capitalized and not defined shall have the meaning given to them in the SEPA Core Direct Debit Scheme Rulebook.

All definitions are considered part of these Terms.

1. SEPA Core Direct Debit Scheme

1.1. The SEPA Core Direct Debit Scheme enables the Originator of the Payment to settle their financial obligations toward a Creditor by signing a Direct Debit Authorisation (Order) that entitles the Creditor to collect the amount(s) owed by the Originator of the Payment from the Bank. In signing the Order, the Originator of the Payment also authorises the Bank to debit the corresponding amount from the Account designated in the Order.

1.2. Payments under the SEPA Core Direct Debit Scheme can be made only in Euro.

2. Scope

2.1. The terms of this Appendix apply solely to SEPA Core Direct Debits. Any payments under the SEPA Core Direct Debit Scheme will be subject to the SEPA Core Direct Debit Rulebook.

2.2. The terms contained in this Appendix apply both to one-off and recurring SEPA Core Direct Debits. In the case of a one-off SEPA Core Direct Debit, the Order is valid solely for the specific Direct Debit Transaction. Recurrent SEPA

Core Direct Debits are those that are made regularly on the basis of the same Order and collected by the same Creditor. One-off SEPA Core Direct Debits are those where the authorisation is given only once by the Originator of the Payment to effect only one SEPA Core Direct Debit.

- 2.3.** The underlying legal relationships between the Originator of the Payment and the Creditor(s) upon which the SEPA Core Direct Debit Orders are based do not form part of these terms and do not confer any entitlements on the Originator of the Payment with respect to the Bank. The Originator of the Payment is therefore obliged to assert all rights and claims arising from these legal relationships directly against the Creditor(s) and also to settle any disputes directly with them.

3. SEPA Core Direct Debit Order (the Order)

- 3.1.** The Originator of the Payment must ensure that details designated as required for the Order are provided correctly and in full.
- 3.2.** The Originator of the Payment acknowledges that the Bank will not receive a copy of the Order and is not obliged to check or verify its contents.
- 3.3.** The Originator of the Payment may cancel or amend an Order by communicating directly with the Creditor and with no involvement by the Bank.
- 3.4.** Upon a request of the Originator of the Payment, the Bank shall request a copy of the Order plus all other relevant information concerning a SEPA Core Direct Debit from the Creditor's Bank, and will provide the Originator of the Payment with the relevant information made available to the Bank by the Creditor's Bank.
- 3.5.** If a Creditor does not present a Collection under an Order for a period of 36 months from the date of presentation of the last Collection, even if this has been Rejected, Returned or Refunded, the Creditor is obliged to cancel the Order and is not allowed to initiate Collections based on the cancelled Order. If there is a further requirement for a direct debit, a new Order must be put into effect.

4. Collection and Debiting

- 4.1.** The Bank is not obliged to check the Creditor's entitlement to a SEPA Core Direct Debit or the details contained in the collection request. In particular, the Bank is not obliged to check that a valid Order exists for the Originator of the Payment. Furthermore, the payment shall be debited from the Account based solely on the IBAN (International Bank Account Number) provided in the collection request, without any obligation on the part of the Bank to compare or to verify the IBAN with the name or address of the Originator of the Payment. The Bank reserves the right to carry out such a check at its own absolute discretion and, in the event of a discrepancy, is entitled not to process the collection and return it to the Creditor's Bank.
- 4.2.** The Account will be debited on the Due Date with the amount specified by the Creditor in the collection. If the Due Date is not a Business Day, the Account will be debited on the next Business Day provided that it is also an Interbank Business Day. If the Due Date is not an Interbank Business Day, the Account will be debited on the next Interbank Business Day provided that it is a Business Day.

5. Prohibition, Limitation, Prevention and Refusals

- 5.1.** The Originator of the Payment has the right to prohibit the execution of SEPA Core Direct Debits from any account in their name with the Bank or limit the Collection of a SEPA Direct Debit to a specified amount or prevent SEPA

Direct Debits from one or more specified Creditors by notifying the Bank to this effect in writing on a Bank's relevant document. On receipt of such notice by the Bank, the Bank will refuse to allow the execution of any SEPA Core Direct Debits from the Account or any account in the name of the Originator of the Payment with the Bank for which the execution of SEPA Core Direct Debits has been prohibited, even if a collection request is subsequently received. Any such notice must be given to the Bank at the latest during the Bank's working hours on the Business Day which precedes the Due Date.

- 5.2.** The Originator of the Payment has the right to request the Bank to refuse and not to pay a specific or any future Collection. Any such notice must be given to the Bank in writing on the Bank's relevant document, at the latest during its working hours on the Business Day which precedes the Due Date of the specific or any future Collection. Where the information provided to the Bank by the Originator of the Payment does not allow the Bank to fully identify the Collection, then the Bank will process the instructions of the Originator of the Payment as a refund after Settlement.

6. Rejects & Returns

- 6.1.** The Bank is authorised and entitled to reject a collection request prior to Settlement, and is authorised and entitled to return a collection request after Settlement without first consulting the Originator of the Payment for:
- (a) technical Reasons (e.g. invalid format, wrong IBAN check digit, BIC incorrect); or
 - (b) account Specific Reasons (e.g. Insufficient Funds, Closed Account, Originator of the Payment Deceased); or
 - (c) domestic or Foreign Legal Provisions that supersede these Terms; or
 - (d) unusual and unforeseen events; or
 - (e) refusal of the Originator of the Payment as provided in paragraphs 5.1 and 5.2 above.
- 6.2.** When rejecting or returning a Collection request, the Bank is entitled to specify the reasons for the rejection or refusal to all parties involved in the Collection request concerned, including the Creditor.

7. Refunds

7.1. Refunds for SEPA Core Direct Debits without the provision of any reasons

- 7.1.1.** The Originator of the Payment is entitled to request the refund of any SEPA Core Direct Debit within eight (8) weeks of the date on which the amount of the SEPA Core Direct Debit was debited from their Account, by notifying the Bank to this effect in writing on the Bank's relevant document without having to provide reasons for such a request and the Bank shall be obliged to refund the Originator of the Payment.
- 7.1.2.** Any refund made to the Originator of the Payment pursuant to paragraph 7.1.1 does not release the Originator of the Payment from any possible contractual or other obligations with respect to the Creditor nor does relieve the Originator of the Payment of seeking a resolution with the Creditor.

7.2. Refunds for unauthorised SEPA Core Direct Debits

- 7.2.1.** If the eight week period from the date on which the amount of the SEPA Core Direct Debit was debited from the Account has elapsed, the Originator of the Payment is entitled to request only the refund of any unauthorised SEPA Core Direct Debit up to but not later than 13 months from the date on which the amount of the SEPA Core Direct Debit was debited from the Account of the Originator of the Payment. In such a case, the Originator of the Payment must request a refund of the SEPA Core Direct Debit from the Bank, providing any available supporting evidence. Once the Bank receives such a request, it may request a copy of the Order from the Creditor Bank.

- 7.2.2.** Once the Bank has determined that a transaction so challenged is unauthorised in accordance with the Payment Services Law, it is obliged to refund the Originator of the Payment in accordance with the provisions of the aforesaid Payment Services Law. If the Bank determines that the refund claim will be rejected, it will inform the Originator of the Payment accordingly and supply them with the relevant supporting evidence received from the Creditor.
- 7.2.3.** The decision as to whether the amount should be refunded lies solely with the Bank, in consideration of possible documentation (namely the copy of the SEPA Core Direct Debit Order) and information provided by the Originator of the Payment and the Creditor to decide whether to make the refund. The Bank's decision is final for the participants of the SEPA Core Direct Debit Scheme as defined in the SEPA Core Direct Debit Rulebook.
- 7.2.4.** The Bank shall inform the Originator of the Payment of its decision in a suitable manner and no later than 30 Calendar Days (as defined below) after the receipt by the Bank of the request of the Originator of the Payment for the refund, and forward any possible documentation to the Originator of the Payment.
- 7.2.5.** If the Bank decides to accept the request of the Originator of the Payment for a refund, the Account will be credited by the Bank with the amount of the collection with the Value Date being the day on which the Account was debited with the amount of the collection.

8. Timing Requirements

The Originator of the Payment is obliged to claim refunds for authorised SEPA Core Direct Debits within the relevant time limit specified in paragraph 7.1.1 and in relation to unauthorised SEPA Core Direct Debits within the relevant time limit specified in paragraph 7.2.1 above.

9. Closed Accounts

The Bank is obliged to execute all refunds as specified in paragraphs 7 and 8 above even if the Account of the Originator of the Payment is closed. The Originator of the Payment is obliged to hold with the Bank and in their name at least one account in Euro where the refund will be credited.

10. Obligations of the Originator of the Payment to the Creditor(s)

The Originator of the Payment acknowledges and accepts that refusing or rejecting or requesting a refund for any SEPA Core Direct Debit does not release them from any contractual or other obligations toward the Creditor and further affirms that issues in respect of disputes between the Originator of the Payment and the Creditor(s) must be resolved between the Originator of the Payment and the Creditor(s).

11. Reversals

If a Creditor or the Creditor's Bank requests the reversal of a SEPA Core Direct Debit, the Bank is obliged to fulfil this request without the prior agreement of the Originator of the Payment and with no obligation to check whether the original collection was debited to the Account of the Originator of the Payment or was rejected, returned or refunded.

13.2. The Originator of the Payment accepts and agrees that the Bank will refuse to execute a collection request where there are insufficient available cleared funds in the Account as stated hereinabove.

13.3. The Originator of the Payment accepts and agrees that the Bank is not obliged to execute any SEPA Core Direct Debit on a future date after the Due Date of the Collection if the SEPA Core Direct Debit could not be executed on the Due Date due to the lack of available and sufficient cleared funds in the Account or for any other reason.
